OUR BMC

KEY PATNERS	KEY ACTIVITIES	VALUE PROPOSITIONS	COSTOMER RELATIONSHIPS	CUSTOMER SEGMENTS
- Reliable clothing manufacturers, workshops, or fabric suppliers. - Dependable courier and shipping companies handling domestic delivery. - Fashion influencers and micro-creators for brand collaborations to expand your reach.	- Product Curation: Designing/sourcing diverse, high-quality, and size-inclusive collections. - Digital Marketing: Creating visual content (reels/photos) and managing targeted ads. - Operations: Order processing, premium branded packaging, and shipping coordination.	- Offering a diverse collection that bridges the gap between youthful trends and timeless, elegant modesty - Focusing heavily on size inclusivity (providing a wide range of sizes that fit all body types comfortably). - High-end fabric durability and flawless finishing that appeal to older, more quality-conscious customers.	- Personalized Service: Clear sizing assistance and friendly support for all ages (mothers & daughters). - Trust & Transparency: Honest fabric descriptions and a flexible exchange/return policy. - Community Building: Sharing customer reviews and interactive social media stories.	- Target Audience: Women and young girls aged 16 to 55. - Sub-segments: - Gen Z / Young Adults (16–25): Looking for trendy, casual, and affordable university/hangout outfits. - Women (26–55): Looking for elegant, practical, high-quality, and modest designs suitable for work, family gatherings, or formal events. They highly value premium fabric and comfortable fits.
	KEY RESOURCES		CHANNEL	
	- Inventory: High-quality fabrics and diverse apparel stock. - Digital Assets: Social media platforms, logo, and visual brand identity. - Human Resources: Reliable customer service, content creators/models, and photographers.		- Instagram & TikTok: for reaching the 16–30 segment with reels and dynamic content. - Facebook Pages & Groups: for reaching the 35–55 segment, as older demographics rely heavily on Facebook for shopping, reading reviews, and direct communication.	

COST STRUCTURE	REVENUE STREAMS
- Production Costs: Fabric sourcing, tailoring, and finishing. - Marketing Costs: Paid ads, photoshoots, and influencer collaborations. - Operational Costs: Branded packaging and shipping fees.	- Direct sales of clothing items, dresses, or curated outfits through your social media shop/online orders. - Future expansion into matching accessories, bags, or seasonal capsule collections.

SWOT ANALYSIS

STRENGTHS

Explore and identify a new with fascinating design.

Is your visual identity that differentiates you from your competition?

Unique products or services are you offering?

Strength and consistent online shopping experience.

WEAKNESSES

How brand with limited reputation and market exposure.

Need for stronger messaging to reach a wider audience.

Limited distribution: Frequently changing customer base in fashion.

OPPORTUNITY

Expertize in social media and email marketing.

Collects with high, accurate and high-quality content to attract and engage with target customers.

Lever the social media platform for testing and gathering customer feedback.

Stemming questions for selling through the platform's performance.

Consider testing the platform's user base.

THREATS

High competition from local and international fashion brands.

Ideally changing customer base in fashion.

Staying up and evolving with different customer base.

Lever the social media platform for testing and gathering customer feedback.

Stemming questions for selling through the platform's user base.

Consider testing the platform's performance.

objectives

- Organic Growth: Reach 600 organic followers within the first month through consistent Reels and TikTok content.
- Paid Reach: Achieve a paid reach of 40,000 unique users per month via targeted Instagram and TikTok ad campaigns.
- Brand Identity: Establish a strong, cohesive brand identity by maintaining a unified visual theme (color palette and fonts) across all platforms.
- Customer Engagement: Maintain a response time of under 30 minutes in DMs to build trust and increase chat-to-sale conversion rates.

Recommendations

- . Fixed Monthly Marketing Budget
 - Allocate a fixed budget of 6,000 EGP every month to ensure consistent campaign momentum
- . High-Quality Data Infrastructure
 - Track key metrics (engagement, conversion, CAC) using analytics tools to guide decisions
- . Clear, Measurable KPIs
 - Set specific targets for each campaign to evaluate performance objectively
- . Audience Segmentation & Personalization
 - Tailor content based on data instead of one-size-fits-all messaging
- . Long-Term Brand Building
 - Balance performance marketing with brand content for sustainable growth

Thank You
