

Femèra

PROJECT: Femèra Boutique

	STRENGTHS	WEAKNESSS		
Product	Hight quality materials Trendy and fashionable designs Strong feminine brand identity	Limited product variety Brand awareness still growing		
Price	Competitive price Affordable compared to the competitors Good value for money	Profit may be low at early stage Limited flexibility for discounts		
Place (online)	Ability to reach wide audience Low cost compared to the offline store	Dependence on delivery companies No physical store yet		
Manpower(3-5)	Small team allows flexibility Direct control over quality	Limited manpower Hight workload per person		

	STRENGTHS	WEAKNESSS		
Money	Full control over business No financial pressure (Self-funded)	Limited budget for marketing Slow growth potential
